

CANADIAN LAKEHEAD WIRELESS EXPERIMENTERS

Meeting, September 8th, 1937

Meeting opened with the reading of last meeting minutes. Minutes were adopted on a motion by Keith Anderson, seconded by Miss E. Cummings.

That the club continue was moved by Dr. Quakenbush and seconded by Bruce Grant.

Dr. Quakenbush also moved that a 20 Metre transmitter be started for the club. This was seconded by Miss E. Cummings. It was suggested that Mr. C. MacDonald draw up a diagram for the said equipment and present it for discussion at the next meeting.

General discussion followed the business period and it was decided to hold a meeting the next Wednesday, on September 15th.

Miss Cummings moved the adjournment of the meeting, seconded by Keith Anderson.
